EXPERIENCE

Tertiary applicants only (experience not considered for school leavers):

I declare that I have completed or will complete by October 1st of the current year a minimum of at least 35 hours experience with a veterinarian in a clinical setting. The tasks I have undertaken include several of the following: assisted with/present for consultations, diagnostic, surgical, medication and hygiene procedures, restraining animals, generally shadowing a veterinarian for a minimum of 35 hours within the past 3 years.

Please provide a reference to verify this experience. Please note, your reference will be contacted to verify this information as part of the admission process. Please provide only one reference at this stage. If you have not already completed your placement prior to the application closing date, you must have your placement arranged for completion prior to October 1st and be able to supply the placement details below.
